# WHY J.N.N COLLEGE OF ARTS & SCIENCE

At J.N.N College of Arts & Science, we believe education should do more than fill notebooks - it should build careers, character, and confidence. Our 15 industry-integrated programmes are designed around the BCG & World Economic Forum's 21<sup>st</sup> Century Skills framework, equipping students with the collaboration, creativity, and problem-solving abilities that today's employers demand.

With partners like KS Academy, Imarticus Learning, Intel, IBM, AWS, and Cisco delivering real-world skills alongside our academic curriculum, and global exposure through our International Immersion Programme with INTI University, Malaysia, a degree from J.N.N.C.A.S is not just a qualification - it's a career launchpad.

## What Sets Us Apart - Key Differentiators
